

2023 American Red Cross Lifeguard Course Guidelines and Schedules

Aquatic Management of Indianapolis offers a variety of American Red Cross courses throughout the year for certification in Lifeguarding, First Aid & CPR/AED for Lifeguards. In these courses, you will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner.

Successful course completion requires **100% participation** in online, classroom, and skill sessions, as well as successful performance in skill and knowledge evaluations. **If you miss any classes, there are no make-ups and substitutions will not be permitted.** You must re-register and pay to attend another class. **Please provide picture ID on the first day of the Course.**

Due to the nature of the skills in this course, you will participate in strenuous activities, such as performing CPR on the floor and removing someone from the water. If you have a medical condition or disability or if you have any questions about your ability to participate fully in this course, discuss them with your physician or healthcare provider and with an American Red Cross Lifeguard Instructor **BEFORE** you start this course.

Covid-19 Protocols

Aquatic Management of Indianapolis will ask that you bring a mask with you to both days of the class. You will be required to wear your mask when social distancing is not possible and to wash your hands frequently. You may still wear a mask as it suits your comfort level at any point while you are not in the water. Lastly, and most importantly, if you have symptoms of COVID-19, please contact your instructor, and stay home.

Refund Policy

Once you have paid for the Lifeguard class, you have reserved your spot in the class. When the first day of class has begun there will be **NO REFUNDS** for any reason. If the first day of class has not begun, you may move your registration to another Lifeguarding class offered by Aquatic Management of Indianapolis in the same year dependent on course availability. If you do not pass the prerequisite there will be **NO REFUNDS** for any reason. You must re-register and pay to attend another class. Aquatic Management of Indianapolis reserves the right to cancel a class due to lack of enrollment. If this occurs, you will be offered first choice in the next available class.
